Invitation to all alumni of the University of Freiburg in China

Dear Alumni,

The University of Freiburg, the Freiburg Alumni Club in China and the Furtwangen University are organising an

Alumni Seminar
„environmental management“
from the 20th to the 23rd of May, 2010
at the Tongji University
Shanghai, China

I would like to invite our Freiburg alumni to participate in this seminar in China. In conjunction with the seminar, we will be holding an opening celebration for the alumni at our Expo stand:

Opening Celebration
20th May, 2010 at 6 pm
at the stand of the city of Freiburg
Expo Shanghai

Together with the mayor of Freiburg, Dr. Dieter Salomon, I would like to invite you to visit the stand of the city of Freiburg. Freiburg is one of 55 cities worldwide selected to present themselves in the “Urban Best Practice Area” at the Expo. The University of Freiburg will contribute “renewable energy” exhibits to this stand.

Former students, researchers and professors from all faculties and institutes are encouraged to participate in this Environmental Management Seminar. Presenters and speakers from Freiburg and China will attend.

- The main topics of the seminar include: sustainability, renewable energy, air and water pollution, and environmental law. To strengthen our alumni network in China, an Alumni Meeting will also be held in cooperation with the **Alumni Club of the University of Freiburg**, **Prof. Dr. Da-an Gao** (club president) and **Prof. Dr. Jianbin Guo** (club secretary general). The seminar is sponsored by the German Academic Exchange Service (DAAD) and will be held at the Tongji University. I thank both of these sponsors for their strong support. Participants can apply for financial assistance to cover their travel expenses and the costs of accommodation.

Shortly, you will receive the official invitation and a detailed program of the seminar. If you have any questions or require further information regarding the seminar, feel free to contact the administrative director of the seminar, Mr. Rudolf-Werner Dreier (rudolf.dreier@pr.uni-freiburg.de) or Mr. Dan Michael Pekurar von Ragla (pekarar@verwaltung.uni-freiburg.de) from the organization team.

I look forward to your participation.

Best wishes for the Chinese New Year!

With warmest regards from Freiburg,

Professor Dr. Hans-Jochen Schiewer
Rektor of the University of Freiburg

■ **Please help us!**

To allow us to contact as many alumni as possible in China, please help the alumni office (pekurar@verwaltung.uni-freiburg.de) **update** our contact information. Also, we would be grateful to you if you forward this invitation to other alumni. For additional information regarding alumni meetings and events in China, please contact:
